

UPPER ORARA PUBLIC SCHOOL

Knowledge, Truth and Freedom

Term 4 Week 1

October 14 2019

WELCOME

Welcome back to Term 4. I hope everyone spent some quality family time together over the holiday break whether you went away or stayed at home.

I would like to take this opportunity to thank the team at Upper Orara Public School who worked hard last term, especially during the last two weeks. I would like to thank Mrs Clark for her leadership in my absence and for her exceptional work on the Performance. I would also like to congratulate the students on their efforts in the school performance.

The calendar is beginning to fill up and there are many events taking place this term. Please ensure you place this term's list of events in a place that is handy for your reference. There are several big activities occurring this term including; Kinder Orientation, swimming for sport and Intensive swimming, Years 3-6 Cascade Excursion, presentation evening and End of Year Reward's Day.

Our 2020 Kindergarten will join us this Thursday, October 17th and then each Thursday for the following 4 weeks. Our new students will learn about being at "big school" and experience some of the activities they might do when they get to school. We look forward to welcoming them and their families to the Upper Orara Public School community. If you know families in the area with children ready to commence school please let them know to contact the school so they can be given the relevant information.

OVLC SPRIN SPORTS CARNIVAL

The Spring Sports Carnival is on Friday 25th October, students in Years 3-4 will be playing T-Ball, Years 5-6 will be playing cricket. Our students will be able to put into practise the cricket skills they learnt last term in the Sporting School's Cricket program.

CASCADE EXCURSION - 28-30 Oct

All students attending should have received a note with details outlining what students need to bring on this excursion. This note also includes a medical section that needs to be completed and returned to school as soon as possible so the organiser at Cascade has all the necessary information prior to our visit. Please ensure you accurately complete all medical and dietary requirements for your child. Please make this a priority if your child is attending because Week 3 will be upon us before we know it.

PRESENTATION EVENING

We have chosen Tuesday December 10 to hold our 2019 Presentation Evening. It will commence at 5.30pm and take approximately an hour.
