

UPPER ORARA PUBLIC SCHOOL

Knowledge, Truth and Freedom

Term 4 Week 7

November 25 2019

WELCOME

Over the next two weeks our students will participate in the School's Swimming and Water Safety Program at the Orara Valley Community Pool. We are very fortunate to have four AUSTSWIM qualified swimming instructors to provide our students with quality swimming coaching over the next 10 mornings. In addition we have extra supervision; Mrs Clark, Mrs L-S or Mr A, Robyn and Reidena during this time.

Over the next two weeks students may be more tired than usual. This is common at this time of year. It is important to remember that students should still attend school and consideration should be given to an earlier bed time during these coming weeks.

Last Friday Kirk attended the Stage 3 Mathematics Enrichment Day at Nana Glen Public School. This day was run by Orara High School Mathematics teachers and was a wonderful transition to High School event for Kirk.

On **Monday 16th December** we are having an end of year Reward's Day for our students. In the morning students will have water play on the oval. This will be followed by a family barbeque and cricket match. After lunch students will be treated to a movie and popcorn before going home. I wish to invite our whole school community to join us for lunch and a game of cricket. More information will accompany your child home soon. Please save this date!

This Wednesday the Hearing Itinerant teacher, Lauren Hodges is visiting our school. She will do a 45 minute talk for our K-2 students outlining the importance of ear health. She will explain how ears work and how to blow your nose. This is a very informative and interesting. If you would like to attend this session please come along at 2:00pm.

Another date to save – **Wednesday 11th December**. Upper Orara Public School would like to invite everyone to a morning tea commencing at 10:30am. Please come along and have a relaxing morning tea with staff and students.

We look forward to seeing you at one of our many events.

Mathematics Enrichment Day

On Friday I was lucky enough to attend the Maths

Enrichment Day at Nana Glen.

We did a lot of activities like puzzlet maths, origami and much more stuff related to Maths.

My favourite was the origami.

We made a giant Ninja star and I met new people. Kirk.

Swimming for Sport

STUDENTS OF WEEK 6

John (Yr K-2) Kirk (Yr 3-6)

John receives his award for
"Excellent results in his testing"

Kirk receives his award for "Being a great leader
at Upper Orara Public School"

Congratulations John and Kirk!
